Kish Insurance reaches 12-year Inner Circle membership status

HUNTINGDON, PA – Kish Agency Inc., T/A Kish Insurance, has achieved Inner Circle status for a remarkable 12th year. The agency is one of just 19 independent insurance agencies that have qualified for Mutual Benefit Group’s 2016 Inner Circle award.

Based in Huntingdon, Mutual Benefit Group is a multiline property/casualty insurance company represented by 250 independent agents in Pennsylvania and Maryland. Each year, the company presents its Inner Circle award to those agents who provide superior customer satisfaction while establishing a consistent record of profitable growth.

Kish Insurance principals Jeffrey D. Wilson, president and CEO, and Kathy M. Boop, vice president and personal lines manager, oversee the 20-year-old agency’s six Pennsylvania locations in Lewistown, Reedsville, Belleville, Huntingdon, McVeytown, and State College. Since its formation, the agency has tripled its annual premium volume and commission revenue entirely through organic growth. Kish Insurance serves Central Pennsylvania, particularly the counties of Mifflin, Huntingdon, and Centre, from these locations, providing all lines of property and casualty insurance for both personal and commercial customers.

When asked about the agency’s secret to success in achieving Inner Circle honors for 12 years, Jeff comments, “We’ve succeeded by assisting our customers in the management of their risk, by providing competitively priced insurance solutions, and by demonstrating a commitment to servicing our customers’ insurance and claims needs. Mutual Benefit plays a part in our success thanks to the long and successful partnership we’ve had with the Company based on local, knowledgeable, and trusted insurance professionals working together for the best interests of our shared customers.”

Mutual Benefit Group has been providing insurance coverage for personal autos, homes, and businesses since 1908. Rated A- (Excellent) by A.M. Best, Mutual Benefit serves nearly 75,000 policyholders. The Company has been named one of the Top 100 Businesses for 2016 by *Pennsylvania Business Central*.
